

## How to remove drm from epub books

We will find it troublesome when we want to copy or backup the ebooks (epub or pdf) to other devices. Because most of the books we bought contain the drm system which will prevent us from copying. Since we have paid for the books, then we have the right to read them on other devices we own. At present, there are several solutions we can implement to remove the drm protection. Via these methods, you are able to sync and convert ebooks files with ease.

### BOOKS PURCHASED FROM EBOOKS.COM OR OTHER BOOK SITES
